**The Arena Mode Saga has over 500 Five-Star Reviews across Amazon and Goodreads, and is Kickstarter's #1 selling science-fiction series of all time.**

The sequel to the Amazon best-selling *Arena Mode*, *Assault or Attrition* is a scintillating adventure that draws you into a dystopian future where superhumans are a chilling reality - and those who worship them are even more terrifying.

Thanks to an inoperable tumor pressing against his brain, Matthew Moxon was left with few options for survival. In 2041 his only chance was a multi-million dollar nanotech procedure - a price tag far out of reach until he entered 'Arena Mode': a fighting tournament reserved for super-powered beings where the winner would become one of the wealthiest people on the planet.

Moxon escaped the grueling event with his life, as well as the grand prize, but en route to crossing the proverbial finish line he was forced to kill Sergei Taktarov, a superhuman with a legion of followers who considered him the Second Coming.

He retreats to Northern Canada in search of solace, unaware he'll soon be hunted by religious extremists, bounty hunters, and a dark figure from his past.

Discover the series that has been nominated for the prestigious BSFA Award (*Arena Mode*, Best Novel of 2013), has been ranked #1 on Amazon in the US and the UK (*Arena Mode*, Superhero and Dystopian categories, May 2015; *Assault or Attrition*, Superhero category, August 2015) and is currently part of the high school curriculum in the state of Florida.
