## **Broadchurch: A Novel** Erin Kelly, Chris Chibnall

In the sleepy British seaside town of Broadchurch, Detective Ellie Miller has just returned from vacation, only to learn that she's been passed over for a promotion at work in favor of outsider Alec Hardy. He, escaping the spectacular failure of his last case, is having trouble finding his way into this tight-knit community wary of new faces. But professional rivalry aside, both detectives are about to receive some terrible news: 11-year-old Danny Latimer has been found murdered on the beach.

For Ellie it's a personal blow; Danny was her older son's best friend. She can't believe anyone in Broadchurch would ever have harmed him. But Alec considers everyone, even Danny's parents, suspect in his death. It's a living nightmare for everyone involved...even before the press arrive and start stirring up the secrets every town member keeps hidden behind closed doors.

An intimate portrait of a town and the ordinary grievances that have slowly simmered for years before boiling over in an unthinkable crime, this remarkable adaptation of the hit television show *Broadchurch* tells the story of a shattered family, a reeling town, and the two imperfect detectives trying to bring them answers.
