Risk of Infection (Risk of... Book 1)

Tom Conrad

Risk of Infection (Risk of... Book 1) Tom Conrad

Frankie Drake needs to grow a pair and man-the-hell-up. What's more, Frankie needs to quit all his bellyaching and finally win back the only girl he ever "believed" he loved. Of course, who'd of thought it would take a zombie apocalypse to bring about a second chance at love lost? Who'd of thought indeed!

This short novella, told in the first person, is set during the London Olympics. Essentially, a comical and wayward tale, *Risk of Infection* centres on the exploits of one Frankie Drake & the Drake family. Together the Drake clan must make their way from the fringes of London town to the very epicentre of where infection has taken a firm hold: the Olympic Park.

Will the Olympics still be a gold-medal success? Will Frankie's chain-smoking father stop all his griping and help save the day? And, perhaps most importantly of all, will Frankie find his second chance at love?

What others have to say:

(D. Peers, *top 1000 Amazon reviewer*)

"*Risk of Infection* is a tongue in cheek "*Shaun of the Dead*" mashed-up with "*Spaced*", with a mildly hapless twenties no-hoper-of-a-man finding himself in the midst of what just could be the end of the world.

All in all, it stands on its own as a surprisingly enjoyable take on the apocalypse and all things pertaining to zombie. *Risk of Infection* is a satisfying balance of zombie action versus humans realising a few things about themselves. It's cheap to purchase, and is a satisfying little fix if you're craving a zombie hit."

(Greavsie, *verified Amazon purchase*)

"I was gripped from the very first page. I bought this book after enjoying Tom Conrad's debut novel *Rich Pickings for Ravens*. The story is fast paced and has some great characters. Conrad's witty and charming style is once again evident in this zombie/romance romp. If you have a spare pound, and fancy a laugh, buy it now!"
