## The Access Bible, New Revised Standard Version with Apocrypha (Paperback 9872A)

Modern readers of the Bible are time travelers visiting a society and culture very different from their own. Strange customs, unfamiliar words and novel concepts encountered in the Bible's pages can make understanding the Word of God a real challenge.

The *Access Bible* is friendly to people who've never studied the Bible before. It's been carefully written and edited so that those new to the world of Bible study can just pick it up - **and start reading**.

A unique feature of the *Access Bible* is the running commentary which is interspersed with the Bible text. Difficult concepts are clearly explained in terms which everyday readers can easily understand. There's no need to have a dictionary by your side when you're using *The Access Bible*. When a technical explanation is required, all of the terms are defined right on the page, as well as in a glossary at the back. History, social contexts, religious practices, the beliefs of ancient peoples - all are explained when the Bible text requires it. In addition, this Bible was designed to contain all the background information needed by believers from a wide spectrum of churches. *The Access Bible* sets a new standard for ease of understanding.

- \* Running commentary interspersed throughout the text provides on-the-spot explanatory and interpretative information. Different type and horizontal lines clearly differentiate between the Scriptures and the scholarly notes.
- \* A Star Symbol following key technical terms points the reader to a helpful 16-page Glossary, which defines such terms.
- \* Introductions to each book of the Bible set the scene by explaining the cultural context in which they were written.
- \* 58 sidebar essays broaden the reader's understanding of biblical themes.
- \* In-text maps establish the geographical context of events described in the text.
- \* In-text charts display information in an easy-to-understand format.
- \* A select NRSV Concordance tells you where to find a word in the Bible.
- \* 36 pages of authoritative, full color New Oxford Bible Maps pinpoint cities and place names encountered in the biblical text.
