As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs.
