## **El cuento de la guerra (Spanish Edition)** Eduardo Bähr

“El cuento de la guerra -tal como ocurre con La balada del herido pájaro y otros cuentos de Julio Escoto y La ternura que esperaba de Marcos Carías representa la puesta al día, con relación a Latinoamérica, de la narrativa hondureña. Un libro, pues, que marca pautas y derroteros: la exploración por estratos anímicos que colindan con el inconsciente a través del monólogo interior; la ruptura de la secuencia lineal y la aplicación de diversos puntos de vista en el mismo cuento. Su acertado y bivalente título -que ya en sí mismo es irónico- alude tanto al contenido general del libro como al trasfondo de las mentirosas y manipuladas versiones oficiales del enfrentamiento bélico, las cuales fueron “puro cuento”, para emplear la conocida expresión popular a la que alude el texto que le da nombre a la obra. Helen Umaña
