Management: A Skills Approach (2nd Edition)

Phillip L. Hunsaker

Management: A Skills Approach (2nd Edition) Phillip L. Hunsaker

This complete collection of managerial skills prepares users for the work force with a comprehensive introduction to effective management conduct. The book provides a ten-step learning model that enables readers to practice and perfect their management skills. The emphasis is on teamwork, and this book shows that the effectiveness of teams within a firm contributes to the efficiency of its operation, increases productivity, and eventually enhances profitability. After a complete introduction to skills, managerial effectiveness, and self-awareness, the book proceeds to general integrative skills (interpersonal communications, diversity, ethical guideposts, managing skills and time); planning and control skills (goal setting, evaluating performance, creative problem-solving); organizing skills (designing work, selecting and developing people); and leading skills (building a power base and leading change). An excellent resource for human resource managers, organizational development workers, and corporate trainers.

From reader reviews:

Lila Smith:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each book has different aim or maybe goal; it means that reserve has different type. Some people feel enjoy to spend their time for you to read a book. They may be reading whatever they get because their hobby is definitely reading a book. Why not the person who don't like reading through a book? Sometime, particular person feel need book after they found difficult problem or even exercise. Well, probably you should have this Management: A Skills Approach (2nd Edition).

Jose Banks:

Book is to be different for every grade. Book for children till adult are different content. As you may know that book is very important for us. The book Management: A Skills Approach (2nd Edition) had been making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The book Management: A Skills Approach (2nd Edition) is not only giving you far more new information but also to be your friend when you experience bored. You can spend your personal spend time to read your publication. Try to make relationship while using book Management: A Skills Approach (2nd Edition). You never experience lose out for everything in the event you read some books.

Michael Ramsey:

People live in this new day time of lifestyle always try and and must have the time or they will get great deal of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely without a doubt. People is human not really a robot. Then we inquire again, what kind of activity do you have when the spare time coming to you of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative in spending your spare time, the particular book you have read is usually Management: A Skills Approach (2nd Edition).

Milan Allen:

Management: A Skills Approach (2nd Edition) can be one of your starter books that are good idea. Many of us recommend that straight away because this e-book has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining but delivering the information. The author giving his/her effort to place every word into satisfaction arrangement in writing Management: A Skills Approach (2nd Edition) but doesn't forget the main position, giving the reader the hottest and also based confirm resource data that maybe you can be considered one of it. This great information may drawn you into brand new stage of crucial imagining.
