This book starts with the fundamentals of hand valuation and continues up through advanced concepts. Topics include preflop hand strength, short stack play, wrap hands, blind stealing, marking aces, playing on the flop, which flops are good for bluffing, position and check-raising, pot size manipulation, blockers, and much more including numerous sample hands.

This book is a discussion of winning play, and more importantly, winning thinking on all streets. It should be of value to almost all pot-limit Omaha players from the beginner to the more advanced, and every effort has been made to give you the best information possible, with nothing held back.
