Bryn's reputation as the uncomplicated band member is over.

Blue Phoenix drummer, Bryn Hughes, prefers a quiet life away from the spotlight. But that's proving difficult when his life is complicated by three very different girls:

Mia, the girl who doesn't understand the word no.

Avery, who wishes she'd said yes.

And his forever girl.

Add to this a secret that threatens to take decisions about the future out of Bryn's hands, and Bryn's reputation as the uncomplicated band member is over.

Avery is struggling to balance her life as a student and part-time work waitressing. When she spills soup on a rock star and attempts to remove his trousers, she doesn't expect to see Bryn Hughes again unless he's carrying a law suit.

Instead, Bryn gatecrashes an evening with her friends the following day and what he does stuns her.

This book can be read as a **standalone** but has minor spoilers for the other books.
