## Highlander Romance

In a small little English town on the border of Scotland, highlander Tavish MacFadden has attempted to integrate himself into English society in order to properly spy on them, but unfortunately seems to have condemned himself to nothing but boring English parties. Luckily, on the night before he is to go back to the highlands, he meets Linnet Wakefield, a beautiful recluse engaged to a man she does not love.

Linnet is desperate for a new life, and in a moment of passion she runs away with Tavish, hoping to find a new life. Will they be able to outrun her jealous fiance?
