Nearly twenty percent of adolescents have developmental disabilities, yet far too often they are marginalized within churches. *Amplifying Our Witness* challenges congregations to adopt a new, practice-centered approach to congregational ministry -- one that includes and amplifies the witness of adolescents with developmental disabilities. Replete with stories taken from Benjamin Conner's own extensive experience with befriending and discipling adolescents with developmental disabilities, *Amplifying Our Witness*

- Shows how churches exclude the mentally disabled in various structural and even theological ways
- Stresses the intrinsic value of kids with developmental disabilities
- Reconceptualizes evangelism to adolescents with developmental disabilities, emphasizing hospitality and friendship.
