From a dark past, a forbidden love, a secret comes. Among the confusion and the chaos of an unwanted reality, two women find something they neither want nor can deny. Blayne Ashton-Carlyle is aloof, self-sufficient, and used to damage control. She is at the top of her game, has always contained herself, and has never come up against any contention she could not handle. Gabriella Matheson is a sculptor. The perfect daughter, she appears to have the ideal marriage, complete with two lovely children. A shocking revelation is approaching with a vengeance, and all that stands in its way will be eradicated. Both women are on a collision course to a passion they cannot fight, to a love they cannot ignore, to an ending that will change everything.
