Christian Basics is a classic introduction to the Christian faith and a refresher course in Christianity's essentials. Respected author and speaker John Stott explains Christian beginnings, beliefs, and behavior, including: how Christianity revolves around the person of Jesus Christ and a relationship to him-not a creed or code of conduct; what Christians believe, structured around an affirmation of the three persons of the Trinity; how to build spiritual strength through a disciplined life in the Spirit. This accessible guide includes end-of-chapter discussion questions, group activities, and suggestions for further reading and Bible study.
