Enjella Uprooted: A Tooth Fairy Gets A New Job (The Enjella Adventure Series Book 1) Jane Collen

This is the story of an adolescent Fairy who overcomes teasing, low self esteem and another Fairy's meanness to become a first class Tooth Fairy. But while conquering these obstacles she realizes she needs something more to make herself complete. Join her in her journey to become an empowered, self-made Fairy.

Written in classic storytelling style, the journey of the heroine appeals primarily to "tween" girls. However, Enjella's journey, as she struggles to do her best and identify and use her true talents, resonates with all children.
