Methland: The Death and Life of an American Small Town Nick Reding

The bestselling book that launched meth back into the nation's consciousness. Based on Reding's four years of reporting in the agricultural town of Oelwein, Iowa, and tracing the connections to the global forces that set the stage for the meth epidemic, *Methland* offers a vital perspective on a contemporary tragedy. It is a portrait of a community under siege, of the lives that meth has devastated, and of the heroes who continue to fight the war.
