Seize (St. Martin Family Saga: Emergency Responders) Book 2 Gina Watson

Mia was in trouble.

She was alone and she was scared. She prayed for a miracle, and then she met Augustine. A Marine, now sheriff, named after a saint.

Augustine Roy liked his job as Sheriff of East Baton Rouge Parish. He liked the town and the town's women, some said too much, but he'd never heard any of them complain. He wasn't interested in monogamy, a fact most single women in town had come to understand. He loved his family and friends and when his best friend, Clay, needed his help, he jumped at the chance to use his skills as a former Marine Corps field extraction expert.

While Augie thrived when life ran calm and controlled, his current situation was anything but. Mia had entered his life and dumped it on its head. To top it off, she was so not his type. He preferred large breasted Southern blondes with experience in the sack. Mia was slim, Canadian, and to his utter disbelief, a twenty five year old virgin.

??? But then he'd gone and married her . . .

??? . . . and then she'd passed out.

When Mia woke, she had a new name, and a new ring. She just hoped like hell she'd not missed the wedding consummation.
