The Grade 1 *Theory and Activity Book* reinforces the concepts taught in the Grade 1 Lesson and Technique Book by engaging students in writing, playing, rhythm, ear training, and special *Time to Compose* activities. The ear training activities assist students in recognizing rhythm and note patterns and include activities such as: *Follow the Leader* - where students listen to rhythms and clap/tap them back; and *Parrot Play* - where students listen to short melodic patterns or well-known songs and play them back. These creative and diverse activities keep students motivated!
