Time Out London Walks, Volume 1: 30 Walks by London Writers

London remains one of the world's great cities, and the best way to get to know the whole sprawling mess — its vivid history and current vitality — is by walking the streets. The objective of the fourth edition of *Time Out London Walks Volume 1* is to get the perspective of the city from a group of novelists, historians, comedians, and journalists who have devised their own walks through London, drawing on historical, architectural, and personal observation. The walks offer a mix of styles, outlooks and settings. The end result is a book that can be read with pleasure at home, as a collection of writing about London, or as a practical guide to the city's streets and green spaces. The fourth edition of this title has been thoroughly revised and updated.
