Angel Fire (Fallen Angels - Book 1)

My name is Darcy Anderson, and I am cursed with a dark power:
Whenever my life is in danger, something inside me summons
elemental fire to protect me. I cannot control this.

One night, I was attacked in my home. The fire ... it raged out of control.
I survived the inferno, but my house burned to the ground
- with my parents inside.

I was at a loss to explain to the courts what happened,
and they sent me to prison for ten years for manslaughter.

Now I'm out on parole, and all I want is to return to my
home town and rebuild my life;
but the man who attacked me is back
to finish the job he started.

I can sense the power in me growing.
If I can't control it, it will control me
and destroy everything - and everyone - I love.
