## **Basic Econometrics** Damodar N. Gujarati

This is a thorough revision of the best-selling undergraduate Econometrics text. Accessible, complete, and student-oriented, Basic Econometrics is appropriate for first courses in Econometrics at all four-year colleges and universities. In addition to a first-rate text, students have access to the SHAZY student version of SHAZAM, an inexpensive version of a widely used econometrics package, as well as data sets (free on adoption to instructors) for problem and example material in the text.
