Just For Kicks: A story of travel and mayhem.

Luis Blasini

Just For Kicks: A story of travel and mayhem. Luis Blasini

In his first frankly autobiographical work, Luis Blasini tells the exhilarating story of restless years wondering south of the border in the slums of Mexico, across the United States from flop house to flop house - journeying further, a homosexual transient geographically and imaginatively - alien in his own land, even to his own body. From the notebooks he kept while on the road, Blasini composes a very tough and very funny narrative of his adventures with drugs, homelessness and lifeless romance. Just for Kicks is hard, derisive, inventive, free, funny, serious, poetic, ineradicably American, a funny quirky work in which you are not permitted to laugh. Blasini brings out the junkies, hoodlums, prostitutes, sexual perverts, and thieves brawling in the back alleys of the world. The raw strength and concentrated power of Just for Kicks makes it one of the great works of nonfiction concerning the dark underground labyrinth of our cities.
