Abuse of Power Michael Savage

From New York Times bestselling author and nationally syndicated radio talk-show host Michael Savage comes a high-intensity debut thriller, the story of a smeared network journalist who uncovers a chilling terrorist plot.

Jack Hatfield is a hardened former war correspondent who rose to national prominence for his insightful, provocative commentary. But after being smeared as a bigot and extremist by a radical leftist media-watchdog group, he ultimately loses his job and finds himself working in obscurity as a freelance news producer in San Francisco.

One afternoon Hatfield is on a ride-along with the SFPD bomb squad when a seemingly routine carjacking turns deadly, after police find several pounds of military-grade explosives in the jacked car. And when the FBI urges Hatfield to stay out of it, he knows he's onto something big.

This event will open up a shadowy trail that leads Hatfield from San Francisco to Tel Aviv, London, Paris, and back again, as he works with a stunning Yemeni intelligence agent and a veteran Green Beret to expose a terrorist group known as the Hand of Allah—and a plot within the highest corridors of power that will dwarf 9/11.

Abuse of Power is a lightning-paced thriller, spanning the globe from Europe and Israel to the back alleys of San Francisco's Chinatown. Jack Hatfield must make the choice between protecting his own life and investigating a terrorist cell whose goal is nothing less than total political control—no matter what the cost.
