Alexander the Great: The Real-life Story of the World's Greatest Warrior Nick McCarty

A terrific book on Alexander the Great. Alexander inherited the throne of Macedonia at the age of twenty and, in his short life, conquered the then-known world--Alexander's armies reached as far east as the Ganges. This fully-illustrated book separates the history from the myth in Alexander's life and tells the story of one of the greatest, and most feared, leaders in history.
