**In the *New York Times* bestselling novel *On Dublin Street*, Joss and Braden fought for their happily ever after. Now, in a romantic new novella, they'll discover what comes after the happy ending...**

Braden Carmichael never imagined he'd fall as hard and as fast as he did for Jocelyn Butler. He also could not have anticipated how difficult it would be to convince her to give in to love. But now that he has her, he's never letting go. He's got it all planned—the passionate proposal, the dream wedding, the sexy Hawaiian honeymoon—even the perfect family they'll start.

After trying to flee from her painful past, Joss is finally allowing herself to embrace the future. But when things start moving faster than she anticipated, she finds herself panicking over something Braden can't understand. After everything they've been through, Joss is sure that their love can survive even her worst fears. But, this time, she may push Braden too far—and risk losing everything all over again...
