Laiden's Daughter: The Clan MacDougall Series Suzan Tisdale

Scotland, 1344

She believes men are not honorable nor are they kind-until she meets one that changes her heart forever. Betrayed by lies told before her birth, Aishlinn is raised by a harsh and cruel stepfather. Her life is forever changed one horrifying night when she is forced to flee England for the safety of the Scottish Highlands. Rescued by a fierce band of highland warriors, Aishlinn soon learns that honorable men do exist. She finds a strength she never knew she possessed and it will be tested to the limits when she is forced to make a heart-wrenching decision...allow the English to kill those she loves, or surrender for the crime she committed.

She is everything he never knew he wanted in a woman....

As a fierce highland warrior, Duncan McEwan has survived numerous battles, bed countless women, and survived a horrific storm at sea. He has scaled mountains and even survived hand-to-claw battle with a cat-o'mountain. But none of that could have prepared him for how his life forever changed one fateful spring day when he rescued a lass from a freezing stream. He will do anything to keep her as his own and will risk everything to keep her out of the hands of the English.
