Notes on the Miracles and the Parables of Our Lord Richard Chenevix Trench

Black boards with gold gilt. This lovely hardcover book, missing jacket, is one of a huge collection of interesting Christian books that belonged to one or all of a grandfather, father and son all of whom were California Presbyterian ministers clear back in to the 19th century, they are all long gone now but their well kept and well read books remain, each with a little or sometimes a lot of relevant writing in the margins and some underlining too. NEVER library, very clean, tight binding. Because these old books all are well kept, no smoking around them ever, we rate them good. The reverends were officials in the church, debated the splits of the mid century and were pastors in Southern California. Leaving name out in respect to family, but you will get it, as the book has his name inside the cover. LISTEDBY(KAD)
