## **Othello (Folger Shakespeare Library)** William Shakespeare

In *Othello*, Shakespeare creates powerful drama from a marriage between the exotic Moor Othello and the Venetian lady Desdemona that begins with elopement and mutual devotion and ends with jealous rage and death. Shakespeare builds many differences into his hero and heroine, including race, age, and cultural background. Yet most readers and audiences believe the couple's strong love would overcome these differences were it not for Iago, who sets out to destroy Othello. Iago's false insinuations about Desdemona's infidelity draw Othello into his schemes, and Desdemona is subjected to Othello's horrifying verbal and physical assaults.

The authoritative edition of *Othello* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes:

- Full explanatory notes conveniently placed on pages facing the text of the play
