A Cup of Comfort for Single Mothers: Stories that celebrate the women who do it all

"A Cup of Comfort for Single Mothers" is a celebration of the millions of mothers who go it alone. Suitable for single mothers of all kinds, the book contains heartwarming stories of the unbreakable bond between mother and child. Readers will meet more than 50 heroic single mums, including: Kathy, who leans on a friend in her time of need - and is able to return the favour when the same friend becomes a single mum herself; Donna, who never misses one of her son's games - despite being the only single mother in the stands; and, Rachel, whose 3-year-old daughter, Mae, provides comedic relief after a less-than ideal first date.
