Feminist Legal Theory: A Primer (Critical America)

Nancy Levit, Robert R.M. Verchick

Feminist Legal Theory: A Primer (Critical America) Nancy Levit, Robert R.M. Verchick

At long last, the complex field of feminist legal theory is presented in accessible, teachable form by two of its experts, Nancy Levit and Robert R. M. Verchick. In this outstanding primer, the authors introduce the diverse strands of feminist legal theory and the array of substantive legal issues relevant to women's and gender studies. The book centers on feminist legal theories—including equal treatment theory, cultural feminism, dominance theory, critical race feminism, lesbian feminism, postmodern feminism, and ecofeminism. The authors also address feminist legal methods, such as consciousness raising and storytelling.

The primer demonstrates the ways feminist legal theory operates in real-life contexts, including domestic violence, reproductive rights, workplace discrimination, education, sports, pornography, and global issues of gender. Levit and Verchick highlight a sweeping range of cutting edge topics at the intersection of law and gender, such as single sex schools, women in the military, abortion, same sex marriage, date rape, and the international trafficking in women and girls.

At its core, *Feminist Legal Theory* shows the importance of the role of law and feminist legal theory in shaping contemporary gender issues.
