Hetta Coffey is a sassy Texan with a snazzy yacht and she's not afraid to use it!

As a self-employed engineering consultant with a penchant for oddball (read: shady) projects, she has a way of attracting trouble.

With her floating home dry-docked for repairs in Mexico, Hetta needs a place to live and a job to pay for boat repairs. Landing a project at a mining operation not far from her boat, she finds herself on the tumultuous Arizona/Mexico border, where all hell is breaking loose...even before she gets there.
