Rabbit Readers - Beginning Readers - 7 Sight Word Early Readers for Beginner Readers: Kindergarten and Preschool: Set 1 Katrina Kahler

Written by two award winning teachers (Katrina Kahler and Bob Campbell) with a combined 50 years of experience teaching young children to read...this early reader book is perfect for beginner readers 2 to 5 years old. This is a learn to read book...a book that is simple enough that your child will be able to read it by themselves (after a couple of readings where you can help them).

There are 7 easy to read stories with pictures to support your child's comprehension and prediction skills. At the end of each story, the sight words used are listed as flashcards for your child to practice their word identifications skills.

The 7 stories include: What Am I, What Can I Do and What Do You Like, Bertie the Beetle, How Do You feel, The Very Hungry Ant and Santa's Message.

Simple and repeated text make these books a great confidence booster to set your child on their journey to becoming a fluent reader.

Katrina Kahler has a number of other beginner books on Amazon. Her Rabbit Readers Series gives children the confidence they need to become fluent readers. When your child has finished Set 1, then let them read Set 2 of the series. There are also 3 Sound Books in the Rabbit Readers Program, starting with the alphabet sounds, how to blend sounds and sound out a word and the 3rd book looks at sounding out more difficult words. Type Katrina Kahler or Rabbit Readers into the Amazon Kindle search bar and check out the other books in the program.
