The Devil's Casino: Friendship, Betrayal, and the High Stakes Games Played Inside Lehman Brothers

Vicky Ward

The inside story of what really happened at Lehman Brothers and why it failed

In *The Devil's Casino: Friendship, Betrayal, and the High Stakes Games Played Inside Lehman Brothers*, investigative writer and *Vanity Fair* contributing editor Vicky Ward takes readers inside Lehman's highly charged offices. What Ward uncovers is a much bigger story than Lehman losing at the risky game of collateralized debt obligations, swaps, and leverage.

A can't put it down page turner that opens the world of Wall Street to view unlike any book since *Bonfire of the Vanities*, except that *The Devil's Casino* isn't fiction.

- Details what went on behind-the-scenes the weekend Lehman Brothers failed, as well as inside Lehman during the twenty years preceding it
- Describes the feudal culture that proved both Lehman's strength and its Achilles' heel
- Written by Vicky Ward, one of today's most connected business and finance writers

On Wall Street, Lehman Brothers was cheekily known as "the cat with nine lives." But as *The Devil's Casino* documents, this cat pushed its luck too far and died?the victim of men and women blinded by arrogance.
