Ultimate Unofficial Guide to the Mysteries of Harry Potter (Analysis of Book 5) Galadriel Waters, E. L. Fossa, Astre Mithrandir, E.L. Fossa

This is the highly-anticipated, full version of the Analysis of Book 5—analogous in format to the first guide, analyzing books 1 through 4, but covering only Harry Potter and the Order of the Phoenix. Readers can use this guide as a refresher course on how to search for clues when they read Book 6, and to answer their questions about Book 5. It offers insights into the clues, as well as speculations into the motivations of the characters and their magical world, which functions so differently from our own. The authors also go on record with their theories so that the fans can have fun debating whether they were right or wrong!
