Nature girl, Grace, has lived in the Smoky Mountains all her life, patrolling the wilderness with her father who taught her about wildlife, tracking, and survival.

When her forest ranger father goes missing on a routine patrol, Grace refuses to believe he's dead and fights the town authorities, tribal officials, and nature to find him.

One day, while out tracking clues, Grace is rescued from danger by Mo, a hot guy with an intoxicating accent and a secret. As her feelings between him and her ex-boyfriend get muddled, Grace travels deep into the wilderness to escape and find her father. She must use her survival instincts to survive and find her way home.

Along the way, Grace learns terrible secrets that sever her teen romance, her family relationships and the lives of many. Soon, she's enmeshed in a web of conspiracy, deception, and murder. And it's going to take a lot more than a compass and a motorcycle (named Lucifer) for this kick-butting heroine to save everything she loves.

This teen series for girls has it all: teen romance, action adventure, and mystery all backdropped by the Smoky Mountains. The twists and turns will create mystery and suspense that will keep you guessing until the very end.

Kirkus Reviews called this teen book "a dramatic entanglement of mystery, deception and teen romance." While Reader's Favorite loved the action adventure mixed with "a message of wildlife conservation".
